BREAST CANCER

BREAKTHROUGH

The Team's Wish List - can YOU help?

Visit the Corporate Sponsors' page and find out what's in it for you!

PR Support

Team Attitude at Altitude is already making a lot of noise. With the support of the press and local radio stations, their campaign has just begun. But girls with Attitude don't just stop there - they want more publicity. Can YOU help?

Gym Membership

Four women with attitude ... of a certain age ... need to get fit before tackling the arduous slope of Kilimanjaro! If you're near Middle Barton, Oxfordshire and / or in Cheshire, can you help with a sponsored gym membership?

20 Black Assorted Size Tee Shirts

WANTED - 20 black branded tee shirts for the Team and supporters to wear at fundraising events. With www.twin-peaks.co.uk in shocking pink on the front ... and your company name on the back ... they'll get noticed!

4 x Pink Sparkly Bras!

The Team will climb to the top of Kilimanjaro wearing these pink sparkly bras ... unusually ... they will be worn over the top of their outer garments so they might need to be a little bigger than normal! If you're 'busting to help', contact the Team!

Satellite Mobile Phone (the use of ... they'll give it back)

Social media websites such as Twitter, are being used to promote the Team's appeal. To generate as much publicity as possible, they will be 'Tweeting' from the top of Kili if they can find a phone that works! If you can help, they'll 'Tweet' about you!

A Newsletter Sponsor Wanted!

How would you like your company details put in front of all the Team's supporters ... every month for a year? This could be YOU ... if you commit to sponsoring the Team's newsletter account with 'Constant Contact'. You don't have to do any work ... just foot the bill of around £15 - £20 pcm!

Personal Trainers wanted! (~~Brad Pitt Look-alike~~)

You don't have to be a Brad Pitt look-alike to support Team Attitude at Altitude! If you're a personal trainer and would like to help the girls turn into lean, mean, trekking machines, please get in touch!

Dry Shampoo & Pink Lip Gloss

A girl's got to look her best ... even half-way up Kilimanjaro! Who's going to be first to come up with some girlie stuff ... like dry shampoo, pink lippy, and some soothing body products?

Solar-powered Hair Straighteners?

Is there such a thing as solar-powered hair straighteners? If so, can you help? On the other hand, if they haven't been invented yet and you're the creative type ... remember you heard it here first!

Walking Poles

On a more serious note, can anyone help with 4 x walking poles? If so, please get in touch with the Team. They'd love to hear from you!
